Before today, what did you know about the vision of CrossWinds Church”?

## REVIEW

Why is it important for a church to have a plan for the future and the people of the church working together to accomplish it?

*Read Luke 10:25-37.* Today we talked about the idea of “generous living.” What does it mean to live generously with your time? your heart? and your finances?

*Read Mark 16:15, Acts 1:8 and Acts 8:34-40.* Why is it important for churches to replicate either by planting new churches or opening new campuses in different communities?

Can there be too many churches in a community?

Pastor Kurt said that opening a new campus is better and harder than simply planting a new church. Why is it harder? What would make it better?

*Read Philippians 2:1-11.* Why is a church sacrificing itself to open additional campuses, launch new churches or support missionaries around the world an essential part of our Christian faith?

*Read 2 Corinthians 9:6-11.* When it comes to bold steps of growth, it takes bold giving to make it happen. What promises to these verses give us about bold financial generosity?

*Read Mark 12:41-44; Matthew 6:21.* Many of us are not gifted with extra resources. What do these verses teach us about the importance of everyone getting involved, according to their resources, in financially backing the vision?

Have you committed to attend a CrossWinds Legacy Foundation meeting (December 11, 13, 18 or 20) to learn more about financially supporting CrossWinds vision? If you have, why are you looking forward to this meeting?
